

Prophecies of Israel and the “End Times”

1. Prophecies Concerning The Nation of Israel By far, the greatest number of prophecies in the Bible concern the nation of Israel. In fact, many have said that if you want to know what time it is on God's clock, then look at the nation of Israel, for she shall be the center of attention in the fulfillment of Bible prophecies in these last days. Today we live in an age when the entire focus of the world is upon a tiny strip of land in the Middle East called Israel. So lets have a look at what Bible prophecy says about this nation.

1. Disobedience would lead to the nation of Israel being scattered amongst all nations.

Deut 28:64 'Then the LORD will scatter you among all nations, from one end of the earth to the other.'

See also Lev 26:33, Jer 9:16, Ezek 12:15. In all, 6 different books of the Bible predict the scattering of Israel amongst all the nations of the earth. History records this being fulfilled in 70 AD when Jerusalem was destroyed by the Roman Empire and the remaining Jews were scattered amongst the nations.

2. No rest for their souls while in exile amongst the nations

Deut 28:65-66 Among those nations you will find no repose, no resting place for the sole of your foot.

There the LORD will give you an anxious mind, eyes weary with longing, and a despairing heart. You will live in constant suspense, filled with dread both night and day, never sure of your life.

For nearly 2000 years following the destruction in 70AD, the 'wandering Jew' has lived without a homeland, subject to the strongest racial prejudice and torment suffered by any people group. From the day they were scattered to the day Hitler devised his 'final solution to the Jewish problem', this prophecy spoken by Moses has sadly been fulfilled.

3. God himself would restore the Jews to the land of Israel from all the nations

Jer 16:14-16 However, the days are coming," declares the LORD, "when men will no longer say, 'As surely as the LORD lives, who brought the Israelites up out of Egypt,' but they will say, 'As surely as the LORD lives, who brought the Israelites up out of the land of the north and out of all the countries where he had banished them.' For I will restore them to the land I gave their forefathers.

In all, 13 books of the Bible speak of the nation of Israel being restored in their land from the nations in which they were scattered. This prophecy became history in 1948 when the United Nations granted a homeland to the Jewish people and the nation of Israel was reborn! See also Jer 3:14, 31:8-9, Isa 60:8-9, Deut 30:3, Amos 9:15.

4. The desolate land of Israel would again blossom and be fruitful in the last days.

Zech 7:14 I scattered them with a whirlwind among all the nations, where they were strangers. The land was left so desolate behind them that no one could come or go. This is how they made the pleasant land desolate.

History records that while the Jewish people were exiled amongst many nations, the land of Israel was a barren desert. See also Lev 26:14, Ezek 15:8, Jer 9:12-13, 23:10, 44:22, Isa 32:13

Isa 27:6 In the days to come, Jacob will take root, Israel will bud and blossom and fill the world with fruit.

This is exactly the case today! Not only has God bought the Jewish people back into their land like He said He would in the last days, but He has also blessed the land so that they now export flowers and fruit around the world! Satellite photos show the green pastures of the nation of Israel, in sharp contrast with the surrounding desert lands of the Arab nations. See also Isa 35:1, Ezek 36:35.

5. God Himself would defend Israel and cause Israel to be mighty in battle

Zech 12:8 On that day the LORD will shield those who live in Jerusalem, so that the feeblest among them will be like David, and the house of David will be like God, like the Angel of the LORD going before them.

Taken in context, this verse speaks about God defending Israel in a battle to come in the last days. Have we not seen this miraculously occur several times since Israel became a nation again in 1948. They have been greatly outnumbered in key Arab-Israeli wars in 1948, 1967, and 1973. Yet Israel exists! God has seen to that!

6. In the last days, Jerusalem would be a burden to the entire world.

Zech 12:2-3 Behold, I will make Jerusalem a cup of trembling unto all the people round about: And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces.

Turn on your TV and watch the news. What nation and what city would you most likely expect to see? Israel and Jerusalem! Today, Jerusalem is a burden that causes trembling for all the nations just as God foretold. What makes this prophecy even more remarkable is that when the prophet Zechariah spoke these words around 520BC, Jerusalem lay in ruins. But God said it would become the focus of the world's attention! Today, Israel has 0.01% of the worlds population, yet 33% of the United Nations resolutions have been passed concerning her!

7. In the end, all nations shall come against Israel.

Zech 14:2 I will gather all the nations to Jerusalem to fight against it; the city will be captured, the houses ransacked, and the women raped.

Apart from the USA, Israel has few allies. In a recent conference on racism in South Africa, the Israeli and United States delegates were forced to walk out as the other participating nations vented their anger towards Israel and tried to declare it a racist state. One day, the Bible predicts, she will have no allies, and all nations shall be gathered against her. The TV news will show you that we are on the road towards that battle. But if the odds seem a little uneven, please read the next prophecy that the Bible predicts...

8. God Himself, Jesus Christ, will return and fight for Israel against the attacking nations.

Zech 14:3-4 Then the LORD will go out and fight against those nations, as he fights in the day of battle. On that day his feet will stand on the Mount of Olives, east of Jerusalem, and the Mount of Olives will be split in two from east to west, forming a great valley, with half of the mountain moving north and half moving south.

You may have heard of this battle to come. It's called the battle of Armageddon because of the location where the nations assemble themselves before attacking. The book of Revelation puts it like this...

Rev 16:14-16 They are spirits of demons performing miraculous signs, and they go out to the kings of the whole world, to gather them for the battle on the great day of God Almighty... Then they gathered the kings together to the place that in Hebrew is called Armageddon.

Revelation also prophecies the return of Jesus Christ on this day saying...

Rev 19:11 I saw heaven standing open and there before me was a white horse, whose rider is called Faithful and True. With justice he judges and makes war.

9. The nation of Israel will finally recognize that Jesus was their Messiah, whom they crucified!

Zech 12:9-10 On that day I will set out to destroy all the nations that attack Jerusalem. And I will pour out on the house of David and the inhabitants of Jerusalem a spirit of grace and supplication. They will look on me, the one they have pierced, and they will mourn for him as one mourns for an only child, and grieve bitterly for him as one grieves for a firstborn son.

What a day that will be! Even though the Bible predicted that the Messiah would die, and have His feet and hands pierced, the nation of Israel has, for the last 2000 years, hardened their heart and not believed that Jesus was their Messiah. At the time of the end, they will again look to the one whom they pierced and oh how great the mourning and sadness will be on that day for what they did! Yet Jesus will pour out His grace upon Israel!

10. God will judge the nations depending upon their treatment of the Jewish people.

Joel 1:1-2 In those days and at that time, when I restore the fortunes of Judah and Jerusalem, I will gather all nations and bring them down to the Valley of Jehoshaphat. There I will enter into judgment against them concerning my inheritance, my people Israel, for they scattered my people among the nations and divided up my land.

Today we live in an age where we hear all the time about a 'Middle-East peace process'. It essentially comes down to 'Israel give up more of your land and we won't send as many suicide bombers into your cities...' It seems everyone wants a slice of Jerusalem for themselves. For this, and the world's repeated and continual abysmal treatment of the Jewish people, the judgment of God will come.

These prophecies are not vague like Nostradamus or modern day 'so-called' psychics. They are detailed and specific in their application. Time and space does not permit us to go into the many other prophecies concerning the nation of Israel. Yet such things as a false peace, the rebuilding of the third Jewish temple, and a coming great persecution of the Jewish people under a world leader have all been prophesied. It will all take place because God has said it.

Prophecies Concerning The End Of The Age While there are many key signs to look out for to recognize the end of the age, several are repeated consistently by Jesus Himself, and writers of the New Testament.

1. An increase in disasters and wars

*Matt 24:3-7 As Jesus was sitting on the Mount of Olives, the disciples came to him privately. "Tell us," they said, "when will this happen, and what will be the sign of your coming and of the end of the age?" Jesus answered: "...You will **hear of wars and rumors of wars**, but see to it that you are not alarmed. Such things must happen, but the end is still to come. Nation will rise against nation, and kingdom against kingdom. There will be **famines and earthquakes** in various places.*

That our generation has seen a marked increase in famines and earthquakes has been thoroughly documented. The word 'nation' in this passage can also be translated 'ethnic group'. Again, even within nations there has been a great increase in the unrest between races. See also Revelation chapter 6.

2. Rise in false religious leaders and those claiming to be Christ.

Matt 24:4-5 Jesus answered: "Watch out that no one deceives you. For many will come in my name, claiming, 'I am the Christ,' and will deceive many.

Again, our generation has seen a flood of guru's and so-called Christ's invade our culture as the west has opened itself up to Hinduism in the form of the New Age.

3. A falling away from the true faith in Jesus Christ.

Matt 24:10 At that time many will turn away from the faith and will betray and hate each other.

2 Thes 2:3 Let no one in any way deceive you, for it (the day of the Lord - God's judgment upon the earth) will not come unless the apostasy (a falling away from the faith) comes first.

It is sad to see, but our generation has seen a great move away from Biblical Christianity, in favor of ecumenicalism and unity with all faiths. This is setting the scene for the one world religion which will occur in the last days.

4. Knowledge and Travel will be greatly increased.

Daniel 12:4 But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase.

This increase in knowledge is occurring now at an exponential rate. We now play God with the very genes and DNA that make us human. Surely Jesus will have to return soon, for where will this lead if left in the hands of a fallen creation?

5. Increase in wickedness and a decrease in morals.

Matt 24: 12 Because of the increase of wickedness, the love of most will grow cold.

Matt 24:37 As it was in the days of Noah, so it will be at the coming of the Son of Man.

Luke 17:28-30 Likewise as it was also in the days of Lot... Even so will it be in the day when the Son of Man is revealed.

The days of Noah were known for their wickedness (Gen 6:5). The days of Lot, living in Sodom and Gomorrah were known for the homosexuality that occurred. (Gen 19) We see both increasing today with parades to openly display and flaunt their wickedness.

6. General condition of the heart of men.

2 Tim 3:1-5 But know this, that in the last days perilous times will come: For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, having a form of godliness but denying its power.

Men will love themselves, money, and pleasure, but not God! - In our age, self-esteem and loving yourself is in... boasting and pride is promoted! Family life is breaking down as people are becoming more disobedient towards parents, unthankful, unloving, and unforgiving.

7. The emergence of a world leader.

Rev 13:3-8 The whole world was astonished and followed the beast (the Antichrist, who will rule the world)... and they also worshiped the beast and asked, "Who is like the beast? Who can make war against him?" And he was given authority over every tribe, people, language and nation. All inhabitants of the earth will worship the beast—all whose names have not been written in the book of life belonging to the Lamb that was slain from the creation of the world.

Listen to the world leaders today as they speak of the 'New World Order'. See the unification that is occurring within Europe and other nations. Even non-Christians can see that we are heading for a one world government. This is what the Bible predicted nearly 2000 years ago. This government will be given into the hands of the most wicked man this world has ever known.

8. The mark of the beast!

Rev 13:16,17 He (the antichrist) also forced everyone, small and great, rich and poor, free and slave, to receive a mark on his right hand or on his forehead, so that no one could buy or sell unless he had the mark, which is the name of the beast or the number of his name.

What was an absurd impossibility 2000 years ago, is rapidly becoming reality today. Does anyone really doubt that this is where we are going with today's technology? We already place microchips in our cats and dogs to give them a unique identifier. If we are to have a one world government, then what better way to control the people than to control all finance and trade? It is a clear sign of the age in which we live that we now have the technology to control finance in this way.
